**Subject:** Increased Employee Mileage Reimbursement Rate

Effective September 12, 2005, the Commonwealth has increased the reimbursement rate from thirty cents (\$0.30) to forty cents (\$0.40) per mile for employees in bargaining units 1, 2, 3, 4A, 6 and 9 who are authorized to use their personal vehicle for employment-related travel. This increase also applies to so-called "confidential" employees who would otherwise be included in the above-mentioned collective bargaining units. Agencies are authorized to implement this increase immediately. Agencies are expected to absorb the cost of this increase within their existing appropriations. Information regarding the mileage reimbursement rate for managerial and other non-bargaining unit employees will be issued under separate cover. Questions regarding this matter may be directed to John Jesensky, Mark D'Angelo, John Langan or Matthew Hale at the Human Resources Division's Office of Employee Relations.
